

COOKIE NOTICE

We, at **OXYGEA** (BRASKEM VENTURES LTDA, registered with CNPJ [Corporate Taxpayer ID] under No. 46.356.778/0001-39), would like to keep a relationship based on trust, respect and transparency with all data subjects whose data is processed during the course of our business activities.

Our top priority is to protect the privacy and security of your Personal Data. Hence, we reaffirm that all Personal Data processed by **OXYGEA** will comply with applicable guidelines and provisions provided under this Notice, particularly Federal Law No. 13.709/2018 – Personal Data Protection Law (“LGPD”).

As we use cookies to enhance your website browsing experience, we have developed this Cookie Notice (“Notice”) to inform you the cookies used, their purposes and how to disable them, as we prioritize your security and privacy.

If you have any inquiries, suggestions or would like to exercise any right as a data subject, please, contact us via our website at www.oxygea.com.

1) WHAT ARE COOKIES AND WHY DO WE USE THEM?

Cookies are small text files generated by your internet browser on your computer or mobile device when you access a website. The use of cookies helps our site load faster and efficiently, as they recognize your device on subsequent visits, enhance security and provide content tailored to your interests.

In brief, cookies identify user devices, enable necessary or additional functionalities, and enhance interactivity during browsing.

You can block our unnecessary cookies through the “Opt-out Manager” option in our cookie banner. However, please note that necessary and/or essential cookies ensure the proper functioning and performance of our website, and without the, our site may not function correctly.

Other types of additional functionality cookies are used to collect statistical data, optimize, and improve the browsing experience of our users.

2) WHAT TYPES OF COOKIES DO WE USE?

i. **Necessary cookies:** these cookies are essential to keep our site operating, and allow you to use all available functionalities on our pages. Without necessary cookies, our pages may load incorrectly, preventing you from using all browsing functionalities. Necessary cookies do not collect personal data of our users marketing or tracking purposes.

ii. **Performance/analytics cookies:** these cookies help us better understand how visitors interact with **OXYGEA** pages, providing information on areas visited, visit time and any other issues found, such

as error messages. Information on user interactions with our site may be collected through third-party tools, such as *Google Analytics*, *HotJar*, *AdSense*, among others.

iii. **Functionality cookies:** these cookies enable our site to remember your preferences, providing a personalized experience without requiring you to reset preferences on every visit. Functionality cookies allow advanced services, such as commenting on posts or articles on our pages, without having to re-enter your information each time.

3) WHAT ARE PERSISTENT AND SESSION COOKIES?

Regarding duration, our cookies may be classified as:

Persistent cookies: these cookies remain stored on your internet browser and access mobile devices for a longer period or until they are manually deleted. The time they remain stored may vary according to your browser settings or the specific “lifetime” of the cookie. Typically, persistent cookies are granted based on your interests, allowing the site to provide personalized services.

Session cookies: these cookies are temporary and remain on your internet browser and devices until you log off our site. The information acquired by session cookies allow us to identify issues and provide a better browsing experience.

4) HOW DO I DISABLE COOKIES?

Cookies are automatically enabled on our internet page for a better browsing experience, but you can disable them if you wish.

However, disabling cookies may compromise site performance when accessing the site, and some web services may malfunction, partially or entirely.

All internet browsers have settings that allow you to accept, reject or delete cookies. For further information on cookie management in browsers, we provide the following links:

5) INTERNATIONAL TRANSFERS

Certain personal data collected through cookies may be subject to international transfers, such as to the United States due to the use of Google Analytics and Yahoo. In such cases, we ensure that appropriate safeguards and minimal guarantees are adopted, in accordance with Article 33 of the LGPD.

This Cookie Notice shall be construed and enforced in accordance with the Laws of the Federative Republic of Brazil, and the jurisdiction of the User shall have the power to settle any disputes arising therefrom.

This Notice was last modified and published on our website as of:

January/2023
